

My name is Stephanie McCord. I was born in Memphis, Tennessee where I learned to love the outdoors and nature. I studied Civil Engineering at the University of Memphis, then met and married my husband Al in 1999. We were relocated around Central and West Tennessee with my husbands job for several years and eventually ended up in Jackson, Tennessee. I worked as a manager for Pier One Imports before giving birth to our son Braxton in 2004. I then started a floral design business from my home. In 2005, Al and I made the decision to follow our dreams and relocate to Sun Valley, Idaho. In 2006, our daughter Skylar was born. In the fall of that same year, we were fortunate enough to be able to purchase a home through the Blaine County Housing Authority. In 2007 I resumed my home based floral design business and have enjoyed being a part of this amazing community. I joined the Board of Directors for ARCH in the Spring of 2008 and hope that others continue to see the vital importance of helping to provide affordable housing throughout our community.
